DEAR HIRING MANAGER,

I am writing to express my interest in securing an internship opportunity at WSO2 starting in July 2024 for a duration of six months for Software Engineering. As a current student enrolled in a four-year Computer Engineering degree program at University of Ruhuna, I have dedicated 3 years in academic refining my skills in **software development**. I am proficient in Java, JavaScript, React.js, React Native, Dart, MySQL, MongoDB, Python, Spring Boot and have experience with Docker for containerization, Jenkins for continuous integration, and Git for version control.

I am confident that my passion for technology and my dedication to continuous learning make me a suitable candidate for this position. I am enthusiastic about the prospect of contributing my knowledge and skills to your team, and I am fully committed to delivering results that uphold the high standards of your company. After 6 months, if my performance meets the company standards, I would like to discuss a long-term career.

Thank you for considering my application. I have attached my resume for your review and would welcome the opportunity to discuss how my skills and experiences align with the requirements of the role. I can be reached via email at [jathurajan@gmail.com](mailto:jathurajan@gmail.com) or by phone at 0767625415. I am looking forward to the possibility of contributing to your team and eagerly await your response.

Sincerely,  
JATHUSAN U
